CARVER PLACE, Arlington, VA

Your Arlington Oasis Awaits: A Modern Townhome That Truly Has It All!

Get ready to ditch the stress and settle into a life that's both sophisticated and seriously easy at 1330 S Quinn Street. Tucked away in the sought-after Carver Place neighborhood, this 2017-built townhome by Craftmark Homes isn't just a place to live—it's an upgrade to your whole lifestyle.

From the moment you arrive, you'll notice the solid curb appeal of stone, brick, and Hardiplank. But the real story starts inside. Imagine waking up in your primary suite. Forget cramped showers—you'll step into a beautifully upgraded, spacious walk-in shower that makes every morning feel like a spa visit. And for ultimate modern convenience, you'll find electric outlets discreetly installed by every toilet, ready for you to customize your comfort with any electric bidet system.

The main level flows effortlessly, featuring those gorgeous wide plank hardwood floors and an open layout anchored by a kitchen designed for real living. Think Quartz counters, gas cooking, and all the stainless steel appliances you need. It's the perfect backdrop for everything from quiet weeknight meals to hosting weekend hangouts.

Now, let's talk about those thoughtful extras: When you step outside look across the street—your view is unobstructed, meaning you get clear skies instead of staring right into another building.

And when you pull into your attached one- car garage, youâ€™ll be thrilled to find it finished, complete with wall shelving for all your storage needsâ€”no more clutter in your living space! With 3 bedrooms (all with ceiling fans), 3 full baths, 1 half bath and nearly 2,200 square feet of meticulously finished space, this 3-level townhome style condo checks every box. Plus, its location is pure gold: quick access to I-395, D.C., and the HQ2 hub, with all the best local shops and cafes are close by. 1330 S Quinn St is where high-end finishes meet unbeatable Arlington convenience. Itâ€™s modern living, perfected. Come see the difference that attention to detail makes!
